The US has instigated World War Three in Ukraine. NATO and the US are at war with nuclear superpower Russia. Countless thousands are being slaughtered for empire. Billions of taxpayer dollars are being torched at the altar of US hegemony, the Military Industrial Complex, and a corrupt Congress. The Doomsday Clock is closer to Midnight than ever before. Nuclear war threatens to kill nearly all life on Earth.

Rage Against the War Machine will likely be the largest US anti-war protest since the Iraq War. ***Not one more penny for war in Ukraine!***

Join us at the Lincoln Memorial at 12:30 pm on Sunday, February 19th, on the anniversary of the Ukraine War and President's Day Weekend, to Rage Against the War Machine! Veterans, speakers, rock musicians, comedians, and more. After the rally, we'll march to the White House and deliver our demands to Warmonger-in-Chief Joe Biden.

OUR DEMANDS

- 1 Not One More Penny for War in Ukraine
- 2 Negotiate Peace
- 3 Stop the War Inflation
- 4 Disband NATO
- 5 Global Nuclear De-Escalation
- 6 Slash the Pentagon Budget
- 7 Abolish the CIA and Military-Industrial Deep State
- 8 Abolish War and Empire
- 9 Restore Civil Liberties
- 10 Free Julian Assange

Above all, while defending our own vital interests, nuclear powers must avert those confrontations which bring an adversary to a choice of either a humiliating retreat or a nuclear war. To adopt that kind of cost in the nuclear age would be evidence only of the bankruptcy of our policy or of a collective death wish for the world.

— John F. Kennedy, June 10, 1963
